Tuesday, September 11, 2018

Dear Valued Witten Company, Inc. Customer,

This letter serves as a written notice pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65) that Witten Company, Inc is providing you with information regarding the presence of chemical or chemicals known to the state of California to cause cancer, birth defects or other reproductive harm in Witten's products.

Because Witten Company, Inc. does not have knowledge of or control over the various ways in which Witten's products may be used in the manufacture of consumer products that are sold or supplied in California, we make no determination as to whether Witten's products may result in an exposure requiring a warning under Proposition 65 to Californians.

Witten Company, Inc. is providing you with the following information for Fasteners manufactured using any of the following raw materials, Solid Film Lubricant and fasteners that have been plated with certain chemicals that may result in a warning under Proposition 65.

California Proposition 65
